

# HOPE FOR THE CITY 2009

*God is opening wide the doors of the people's hearts and communities so that His hope can enter in!*

A testimony from the Bronx:  
*"You prayed for my protection. A few days later I was shot. Doctors said I should have died. It was a miracle!  
Now I know there is a God!"*

*Leaders empowered at The Harvest Center are bringing hope to the streets of the South Bronx!*

*Christians from Metro Detroit—of many races, cultures and denominations—are standing together to bring hope to this city!*

*"There is such a hunger for God! I saw people standing in line at prayer stations. Cars, taxis, even city bus drivers opened their doors and asked for prayer. Truly, these are the signs of revival!"*

*"Today was God's plan that I would find hope! Thank you God!  
Thank you God!"*

*Even Muslims are hearing the Truth of Christ!*

*Hope is rising in the inner city thanks in part to your prayers and support! Great opportunities are before us. We ask you to continue to pray diligently for this ministry. Thank you – friends and partners – for making the way for hope to rise on the streets of America's cities!*

**Our cities are teeming with hurting, hungry and lost people. Help us reach them!**
