

Urban Harvest Ministries HOPE FOR THE CITY

On the streets of the South Bronx and Detroit, many forms of outreach were put into action to bring hope and truth to the hopeless and to lift high the name of Jesus.

At Prayer Stations, people literally stood in lines for prayer, pouring out their hearts as we ministered to them. Many "stumbled on" the Prayer Stations but left with renewed souls and new-found faith in Christ.

Creative arts camps and street hockey (with the Detroit Red Wings and NY Rangers) brought children and youth for Christ-centered activities that resulted in hearing the Gospel. Many responded to the call to salvation!

Suburban churches and mission teams joined us in these ripe urban harvest fields and left inspired with a new vision for the city!

Thousands of Bibles, New Testaments and scripture booklets were distributed to people hungry and thirsty for truth.

Block parties and outdoor outreaches exalted the name of Christ and proclaimed the Good News outdoors, but truly the most inspiring was to see divine appointments with people on the streets resulting in faith, joy, and healing of their souls.

Hundreds of people were touched by the Gospel, and over 150 found Christ as Savior! For all these of things, we say ...

PRAISE THE LORD!!!

Thank you to the American Bible Society, Mustard Seed, the Detroit Red Wings, the NY Rangers, and our Partners in Ministry for making these testimonies possible through your support and prayers!
