

*God can change our cities. He has already begun!*

## HOPE for the CITY

So many people just want *hope*: Hope for tomorrow. Hope for a better life. Hope to be loved. Hope to be accepted. Hope for healing of their pain.

Urban Harvest's *HOPE for the CITY* summer outreach emphasis brings HOPE to those who are searching. Over the years, literally hundreds of people have found life in Jesus Christ! From the homeless to drug addicts to businessmen and women, God touched lives, saved souls, encouraged the hurting and brought hope, peace and joy!

### *What is happening to bring hope this summer?*

#### **Bronx, New York**

*Many forms of outreach will take place in the Bronx that will reach the hurting and glorify our Lord:*

**July 5-8 Vacation Bible School**

**July 5-15 Music and Creative Writing camps**

**July 16 Hockey in the Hood** Street Hockey with the NY Rangers

**July 18-21 Basketball Camp**

#### **Detroit**

*We will saturate four target areas of Detroit with prayer, evangelism and hope in Christ:*

**July 22 IGNITE Gathering** for young adults, igniting the flame of passion for Christ.

**July 23 Downtown Prayerwalk** - Saturating the heart of the city with prayer beginning at City Hall

**July 24-31 Outreach and evangelism on the streets every day**, including prayer stations, kids Bible clubs, sports outreach, benevolence ministry and outdoor worship in Hispanic, African-American and Muslim communities!

**July 30 HOPE Rally in Clark Park** including street hockey with the Detroit Red Wings, a Medical Screening Truck, inflatables and games for kids, worship and the Word proclaimed outdoors!

### *We know that there are key ingredients to bring success to these efforts:*

- **PRAYER** On Sunday, June 12, we begin **40-Days of Prayer and Fasting** to petition God for His favor, guidance, and powerful presence during every outreach effort. *Would you join us to fast and pray during this time?*
- **RESOURCES** The budget for the outreach and evangelism projects this summer is **over \$7,500**. *Will you pray about giving toward this need in the harvest fields of these cities, making it possible to bring hope to many?*
- **OBEDIENCE to the CALL** We will walk faithfully in the plans God has given us to reach souls in these cities!

***We thank God for the opportunity to serve Him on the streets of these cities!***

***THANK YOU for your support and prayers that make it possible to bring hope and salvation in the inner city!***
