

HOPE FOR THE CITY 2007

"God has opened the doors of the people's hearts wide open so that His truth can enter in."

"There is this look the people give you – a look of hunger, desperation for life, for help, and I was there when God came to them and spoke life."

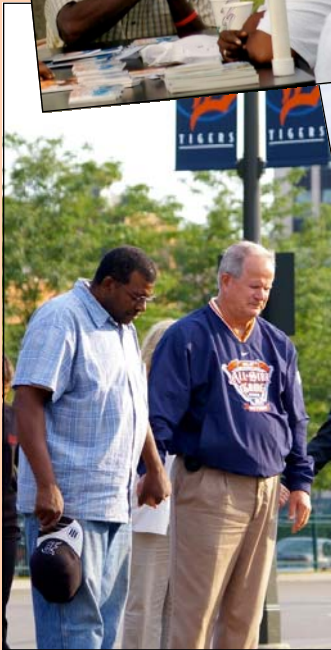

"I saw God was answering the cries of the community."

"Wherever walls were there, they are beginning to come down."

"God is the only one who can change the city. Nothing will change without Him."

"God kept telling me, 'I chose this time because people have given up on this city. When change comes, they will know it was nobody but God.'"

"Thank God for those who don't just sit on the Gospel but respond to God's vision and His passion for the lost in the world."

"I saw people stand in the gap for their city. Leaders repented and cried out to God for their city. I know this is the beginning of change!"

Hope is rising in the inner city thanks in part to your prayers and support! Great opportunities lie before us. We need you to continue to pray diligently for this ministry. Thank you – partners and churches – for making the way for hope to rise in the cities of America!

"To God our Savior, who alone is wise, be glory and majesty, dominion and power, both now and forever more." - Jude 24
